I Need Somebody...

SEEKING MARSHA ALBERT

I am looking for this very special lady. Her name is MARSHA ALBERT. I need to find her because she is to be the Guest Of Honor at a special party we're hosting in New York on Monday February 9th celebrating the 40th Anniversary of the Beatles' historic appearance on the Ed Sullivan Show.

The reason she is needed is simple. She is the girl who jump-started Beatlemania in America! And millions of Beatles fans will want to thank her for it! At the time - she was a 15-year-old schoolgirl from Silver Spring, Maryland. In the photo above (taken in 1984) she was 35. Now she is 55. We have been searching here, there and everywhere for her - but we cannot find her. All we know is that by 1984 she had been married and had two children. Her married name was Marsha Johnson. Her father's name was Hugh. Please help me find her. Won't you please, please help me?!
